NEW DATE

Saturday, October 6th, 2012 PLEASE MARK YOUR CALENDARS

Here we are again...starting the New Year and we are already looking forward to another exciting Conference. This year's Conference will once again be held at the Ohio University-Zanesville/Zane State College Campus on the new date indicated above.

Last year's Conference was a huge success and we received substantial positive feedback with regard to the event and the facilities. Thanks to the generosity of the University administration, we are able to continue to use this facility.

We will be offering a wide variety of training & forum topics that will benefit Council & District Leaders, as well as Professional Staff. It is our objective to ensure that all participants go home with the information necessary to enhance their service to Scouting.

We are in the process of inviting members of the National Office staff to participate in the Conference. They have been very supportive in the past and their input added immensely to the Conference.

We want to thank those who have supported us in the past by attending the Conference. If you wish to serve on staff, please contact the Conference Chairman.
